Goldline has been around for over 30 years, it all start from a young age for Wayne A'vard. Watching his mother cook and seeing her struggle with her cooker, he was motivated to do something about it.

In 1991 Wayne introduced the first three burner cooktop with two wok burners. In 1992 a large corporation in Hong Kong saw our cooktop display during a visit to Australia. We sent a sample and they loved the design so much that we were contacted by global brands all over Asia.
